DEDICATION

We the class of 1988, proudly dedicate our yearbook to Mr. Allard. Because of his patience and understanding we have something to look back on and remember our four years at McCann. Without his encouragement that we all do our part this yearbook would not have been possible.

We would also like to thank Mrs. Grande and Mrs. Bellora, our class advisors, for all the unselfish time and effort they have given us to make our senior year the best possible.

We are greatly indebted to these three special people and we will look with pride at what they have helped us become . . . "the class of 1988"

CHEERLEADING

This year cheerleading turned out to be interesting and fun. There was a good turnout during tryouts, which resulted in every place for varsity and junior varsity being filled. With only a few people dropping out and leaving our school from the squad, we kept our spirit strong and our cheers loud.

We would like to give a special thanks and say goodbye to our cheering instructor/advisor, Diane Crosier, who made us smile during every game and pushed us to perfection. She will be leaving us this year and we'd like to say, thank you, and goodbye Diane.
